Weekly Newsletter

“Rejoice in Hope, Persevere in Prayer”

Note from Mrs. Monks

September 25 - 29, 2023

Hello Kindergarten Families! It's so lovely to see friendships beginning to develop between students as we learn and grow together. This week we will be starting our Snack Time Show and Tell, where students are invited to bring a special item from home that relates to a bi-weekly theme. Please look over the information below and the attached schedule!

Reminders

- **Purple Take Home Folders**
 - Just a reminder that this Monday I will be sending students home with a purple folder with optional home learning activities to work on during the week. Please return the folder to school on Friday!
- **Snack Time Show and Tell**
 - Starting this week, the Kindergarteners will have the opportunity to bring in an item from home for a show and tell time during snack. This is of course an **optional** activity to participate in, so please do not feel any pressure to send in an item. I will be assigning a group of students to a specific weekday so there is enough time for each student to share. I will also be reminding students to keep any items from home in their backpacks until snack time, and to not bring anything out for recesses. Please see the attached sheet for groupings!

What We're Learning

Reading

- Alphabet Knowledge: Identify Gg - Pp
